**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live way out in the county and broadband by Rockbridge Global Village is my ONLY source of internet provider. Century Link (whom I have crappy telephone service with) does not even offer internet service where I live. My internet is slow. I am an online college student and I have a 16 year old who relies on the internet for school work as well. I have to have broadband in order to complete my assignments and be able to finish my degree. Broadband providers are critical because they are the only ones that can offer me internet where I live.
